UNLOADER® SPIRIT | OTS

Unloader Spirit is an off-the-shelf OA knee brace with customizable attributes. Its lightweight shells can be moderately adjusted for differences in patient anatomy and its Adjustable Dynamic Joint™[1,2] accommodates a wide range of varus/valgus alignments. Removable liners and trimmable straps and pads ensure comfort, while the Dynamic Force Strap[3], standard on all Unloader braces, enables on-the-fly adjustability in the amount of unloading force.
